Competition

Have a competitive spirit? Show your horse in our English and Western shows such as our popular annual Spring Stampede, and strive for the high point awards both locally and at the state level. The top five in each division earn the opportunity to compete at the Show of Champions.

Have a need for speed? Our gymkhana high point program draws the very best and swiftest with events like Pole Bending Barrel Racing, Keyhole, and Hurry Scurry, as well as some of the friendliest people around.

Steer yourself toward the cattle pen and participate in our growing stock competitions. Dedicated to the amateur competitor, we offer Team Penning, Team Roping, Cutting, Cattle Drafting and Cattle Sorting.

Trail Riding

Earn awards for your time on trail, and support equestrian use of local trail systems. Want to put your skills to the test? Come to a trail trial with your friends for a fun day of trail riding and challenges.

Royalty & Youth Programs

Region 5 is proud to have some of the best royalty in the state of California. Representing our region with poise, class and personality, our royalty proves themselves through public speaking, equitation, and written tests covering CSHA rules, horsemanship and etiquette.

Our youth programs offer a kids a chance for fun group activities, input on the CSHA statewide and support of our royalty.

Horsemastership

Open to adults and youth alike, this program provides an educational foundation for horse care and horsemanship, offering awards, regional and state competitions.

Region 5 Clubs

Join a local club to participate in activities and forge friendships. Visit the Region 5 website for more information at www.csharegion5.org.
